To Whom It May Concern:

I have had the privilege of working with Trademark Contractors, LLC. Trademark Contractors handled a project for me at a property that I manage in Greer, South Carolina. Trademark Contractors went above and beyond to guarantee my satisfaction with their work.

Since that time, I have invited Trademark Contractors to participate in the bid process of several other projects for properties within my portfolio. Trademark Contractors has become a company that I will turn to and can rely on to provide me great pricing based on a great working knowledge of the industry and with the utmost professionalism.

If you should have any questions, please feel free to contact me.
